TE ARAWA WHANAU ORA COLLECTIVE

Te Arawa Whanau Ora is a collective of seven organisations (six based in Rotorua) that have decided to come to an agreement about how they deliver services in a combined way. The mission is to deliver whanau-centred services on a kaupapa Maori world view. The Collective believes it is important that its services and service approaches reflect the needs and aspirations of whänau. By focusing on whanau-centred services the Collective wants to support individual health needs but also provide whanau-centred approaches to issues that are more systemic and intergenerational and require a range of service responses to address.

The six Rotorua organisations are:

- Arohamai Cancer Support Services
- Korowai Aroha Trust
- Te Runanga O Ngati Pikiao Trust
- Te Papatakaro o Te Arawa
- Te Roopu a Iwi – Maatua Whangai
- Te Waiariki Purea Trust

A commitment to whanau being at the centre of all decisions and in control of their own outcomes is the driving focus of Whanau Ora.
