

Promote your **2017 Matariki** event for free on RotoruaNZ.com

Do you want to promote your Matariki event for free on RotoruaNZ.com and other event websites?

RotoruaNZ.com is Rotorua Lakes Council's dedicated events website, with information on all the great events happening around the region.

It's FREE to feature on RotoruaNZ.com. Simply register at eventfinda.co.nz then 'create' an event. Follow Eventfinda prompts on their website to both register and create an event.

Tips for a successful Eventfinda event:

- Provide as many details as possible: the event name, location, start and end times, parking information, etc
- Ensure you select the right category for your event (Eventfinda gives you options)
- Provide a website for further information (if applicable)
- Add extra information (anywhere from 50 – 150 words) about your event and/or organisation. It's your chance to sell!
- Enter ticket categories and pricing
- Provide a vibrant eye catching image. This may need to be resized to fit Eventfinda specs
