-  In Rotorua parking costs \$1 per hour.
-  If you park in a paid parking area (between two blue signs that feature a \$ sign) payment is required 9am – 5pm Monday to Friday, and 9am – 12noon on Saturdays.
-  All payment machines take credit and debit card payment (not EFTPOS) and half of the machines take coin payment. If the machine you are at does not take coins, the one across the road or around the corner will. From early 2020 machines that take coin payments will have a red band around the top.
-  A card payment will incur a 50c transaction fee.

Parking Zones

The CBD is split into a Blue Zone and a Green Zone. If you have paid to park in the Green Zone you can move your car around the Green Zone until the amount of time you have paid for has run out. The same applies for the Blue Zone. Down the middle of the CBD is Tutanekai Street. Parking along Tutanekai Street is free for a maximum of one hour and then you must move your car to a new parking place.

Free P15 parks are spread throughout the CBD for short stops.

The majority of parking in the CBD is paid and time restricted parking. You can find paid and free all day parking on the outskirts of the CBD and paid all day inner city parking in the parking building on Pukuatua Street. A ten minute grace period is applied to all on street parks except for P15s.

Parking Signs

You can park here for 15 minutes at no charge.

You can park here for 60 minutes at no charge.

You can pay to park here for 90 minutes maximum.

You can pay to park here for 180 minutes maximum.

Parking Fines

Failure to pay to park in a paid parking area will result in a \$40 fine.

If you overstay the amount of time you have paid for, you will receive a parking fine based on the amount of time you have overstayed, starting at \$12.

Mobility Parking

Mobility card holders can use dedicated mobility spaces for as long as they want without paying. All other car parks can be used by mobility card holders, without paying, for double the amount of time specified (except P15 spaces which are limited to the time frames specified and are intended for quick pick up and drop offs). If no time limit is specified, mobility card holders may park in this space for as long as they require without having to pay. Ensure that your valid mobility permit is clearly displayed. Parking wardens monitor the mobility parking spaces to ensure vehicles have valid mobility permits displayed.

Motorcycle Parking

Motorcyclists need to pay to park in both dedicated motorcycle parks and when parking in regular car parks within metered parking zones.

Parking Building

There is a parking building on Pukuatua Street in the CBD. Casual parkers can pay to park here all day (\$1 per hour).
