

Video Distributed Separately

A decorative graphic at the bottom of the slide consisting of a solid blue area with a white wavy line separating it from the white background above.

Save Our Iconic Lakeland Queen

We request that:

1. The new walkway that extends into the path of the Lakeland Queen be shortened to allow access to its own jetty;
2. That services to the Lakeland Queen jetty be restored including fuel, electricity, water and waste-water; and
3. That Council consider upgrading both its own jetty and that of the Lakeland Queen
