NOTICE OF MOTION

25th June 2025

To the Chief Executive of the Rotorua District Council

In accordance with Standing Order 27.1, I, Councillor Don Paterson, wish to advise that I intend to move the following motion at the ordinary meeting of the Rotorua District Council **Infrastructure and Environment Committee on 2nd July 2025**, commencing at 9.30am, and request it to be added as an agenda item for that day's meeting:

That Rotorua District Council resolves to direct the Chief Executive to produce a report:

a) Which identifies the major cause/causes of the current sewerage contamination of RUAPEKA BAY in Ohinemutu AND its link to the 58 (approximately) previous instances between April 2006 and now.
b) That outlines options to PREVENT such occurrences from happening again in future, including estimated costs, possible external funding sources and consultation steps with relevant mana whenua/BOPRC.
c) That, given the environmental and cultural harm these contaminations cause, is to be presented to Councillors for consideration before the end of August 2025.
