| Visitors 664 | Contributors 546 | CONTRIBUTIONS 572 |
|---------------------|-------------------------|--------------------------|

Select your preferred option

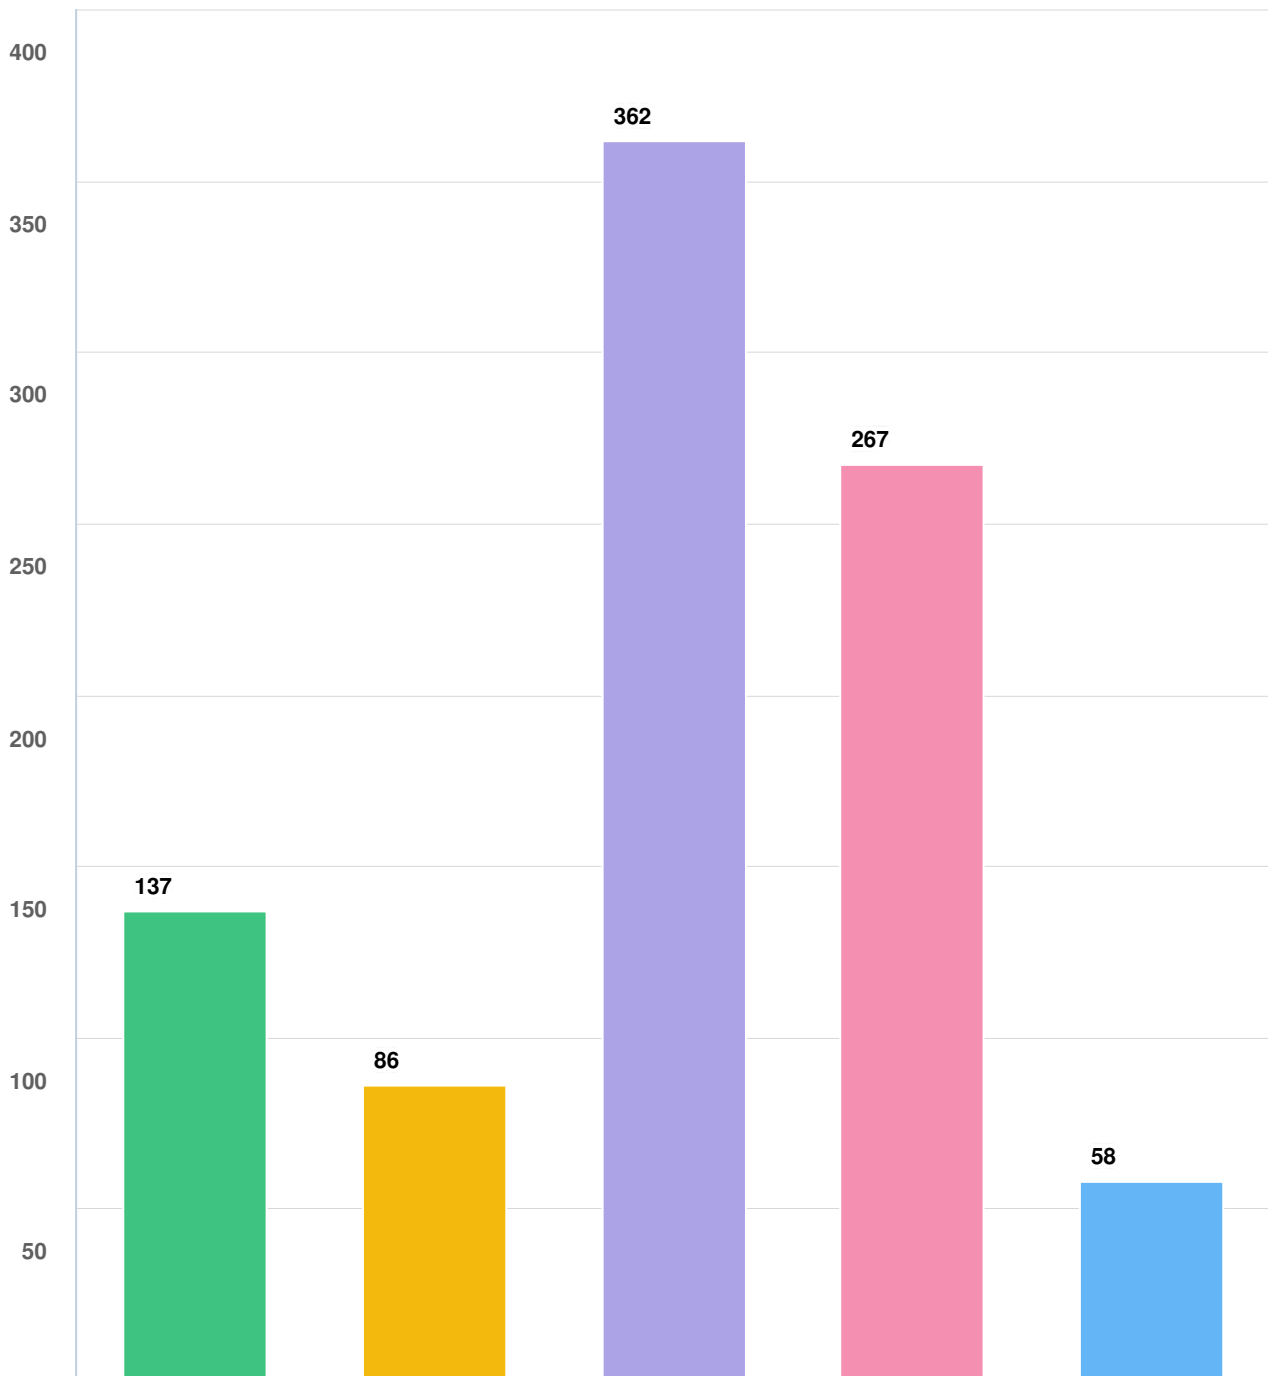

Question options

- Option 1 - 1. Status quo – keep the road as it is. Council would continue to monitor and enforce parking issues.
- Option 2 - 2. Reduce traffic speed, volume of traffic and vehicle movements by installing traffic management features e.g. chicanes or narrowing the road at the residential end of Marguerita Street.
- Option 3 - 3. Remove the ability to travel through Marguerita Street. This would mean closing the road by installing back-to-back cul-de-sacs at a midway point (approximately the location of Vetora).

Mandatory Question (572 response(s))

Question type: Radio Button Question

Are you responding as:

**Question options**

- Local resident - live on or near Marguerita Street
- Local business - operating on or near Marguerita Street
- Use Marguerita Street to travel to a regular destination
- Use a business on Marguerita Street
- Other (please please state in what capacity you are responding to this survey)

Mandatory Question (572 response(s))

Question type: Checkbox Question
