*Prepared in Partnership by Tātau Pounamu and
Rotorua Lakes Council | Draft For Comment*

Eastside Model of Locality Planning

Development of the Eastside Structure Wellness Plan:

Working in partnership (Tatau Pounamu Collective and Council) based on trusting and authentic relationships

Informed by the Tatau Pounamu Strategy that reflects the aspirations of Eastside communities

Implemented a community-led and shared decision making approach

Acknowledgement there is diversity within Eastside and we need give everyone opportunity for feedback

Appreciation of the connection between 'people' and 'place'

Supported by Eastside hapū

Next Steps

Consultation on the Draft Plan closes 16th October

Formation of a Deliberation Working Group – Councillor representative

- Appreciate the connection between ‘people’ and ‘place’
- Support a continued community-led and shared decision making approach
- Have an understanding of how to work in partnership based on trusting and authentic relationships
- Have an understanding of how to positively work alongside hapū
