

2021-2031 Long-term Plan Consultation

Purpose

Consider all the feedback and make decisions to guide setting the Long-term Plan 2021-2031

Consultation

Long-term Plan 2021-2031 consultation document was signed-off by Audit New Zealand and adopted by Council on 25 March 2021

Four week engagement period 30 March to 30 April 2021.

Mayor & Councillors, Lakes and Rural Community Board and Te Tatau o te Arawa members actively led engagement activity within our community on the proposals put forward in the consultation document.

Key strategies

- Homes and thriving communities strategic framework
- Draft Community Safety Strategy
- Draft Economic Development Strategy
- Climate Action Plan
- 30 Year Infrastructure Plan

Questions

- **The Aquatic Centre**
(fix the issues or upgrade to provide a regional facility to be proud of)
- **A Community Safety Plan**
(the development of the plan and the level it should be funded)
- **Fees and charges**
(a proposal to increase fees and charges)
- **Consideration of the rates affordability**
(a proposal to **lower the uniform annual general charge**)
