2. All candidates are required to keep proper records of donations received and expenses paid for election work. These do not have to be filed with this return but must be available to support enquiries about the return if required.
3. Donations can be monetary or physical goods or services supplied or a combination thereof.
4. Donations to a candidate of labour only or donations of goods and services that have a fair market value of \$300 or less do not have to be declared – see S103A of the LEA 2001.
