

NOTICE OF MOTION

Date received:	16 August 2021
Raised by:	Cr Macpherson
Supported by:	Cr Bentley
Motion:	That Rotorua Lakes Council (Council) direct officials to obtain and/ or report a formal determination by MBIE regarding Building Code Clause F4- Safety from Falling ¹ with specific reference to complying handrails for the Lakefront walkway
Council/committee	28 August 2021 Note: No council meeting scheduled for 28 August. Assume the council meeting of 26 August is the intended council meeting.
Accept/Decline/Refer	Refer
Reason	<p>Standing order 27.6 - Referral of notices of motion</p> <p>Any notice of motion received that refers to a matter ordinarily dealt with by a committee of the local authority or a local or community board must be referred to that committee or board by the chief executive.</p> <p>Note: The item has been raised as “urgent item not on the agenda” on three occasions. The matter is an operational one that the organisation of council must deal with. On each occasion the correct channel has been provided as to how the perceived concern should be raised with staff.</p> <p>To be addressed within the Operations report of the Operations and Monitoring Committee – District Development on 2 September 2021</p>
Assessed by	Oonagh Hopkins – DCE District Leadership and Democracy
Supported by	Geoff Williams – Chief Executive Mayor Steve Chadwick
