

SUBMISSION ON THE EFFECT AND EXPERIENCE OF THE NGONGOTAHĀ FLOOD EVENT; 29 APRIL 2018

Information for submitters

This is a submission on the effects of the weather event of the 29th April 2018 and subsequent flooding of the Ngongotahā subdivisions. **Closing date for submissions are 30 July 2018, 5.00pm.**

Independent Ngongotahā Flood Review Panel; Scope of Review

I. The review will primarily focus on the serious flooding which took place in the Ngongotahā catchment, however, it is expected that learnings relevant to others parts of the district will also be identified.

II. The advisory panel will consider Regional and District planning matters, engineering options, storm water, catchment management, mātauranga Māori, future land use and subdivision development considerations.

Exclusions

The Panel will not be considering the following matters as they are outside of the Terms of Reference;

I. The effectiveness of the local and Group Civil Defence Emergency Management response.

II. The establishment and implementation of the recovery phase of the flood event.

Methodology

The panel will consider information provided by both Councils as well as undertaking community consultation to ensure a complete understanding of the event and pertinent contributing factors.

The panel will produce a report, which shall be made public, outlining key findings and making recommendations for future action to Bay of Plenty Regional Council and Rotorua Lakes Council.
