

# Rotorua Lakes Council

## TRANSPORT FEES & CHARGES

In accordance with Council's funding policy, the cost for providing services that benefit an individual or business rather than general ratepayers are borne by the individual or business rather than general ratepayers.

This is the first year policy has been applied to transport services.

The following fees and charges for Council's transport services are effective from 1st September 2021 to 30th June 2022. All fees include GST.
