

Rotorua Lakes Council

WATER, WASTEWATER, STORMWATER

In accordance with Council's funding policy, the cost for providing services that benefit an individual or business rather than general ratepayers are borne by the individual or business rather than general ratepayers.

The fees and charges have increased by 2% per annum since the last review. Stormwater licensing has been separated from tradewaste services and included here.

The following fees and charges for Council's water, wastewater and stormwater services are effective from 1st September 2021 to 30th June 2022. All fees include GST.
