

What's happening in my area?

- ▶ There are four transfer stations in the Rotorua district, including your nearest centre at Tarawera and Ōkere Falls
- ▶ You can drop off your recycling for free at the transfer station
- ▶ It's free to drop off your red rubbish bag at the transfer station
- ▶ A fee will apply for rubbish not put into council rubbish bags

If you live at Tarawera:

- your sole drop off point for household rubbish and recycling is at the Tarawera Transfer Station
- Rotorua Lakes Council worked with the Lake Tarawera Ratepayers' Association to consider whether your neighbourhood should opt for wheelie bins or rubbish bags
- the Lake Tarawera Ratepayers' Association signalled at community and council workshops that they did not want wheelie bins because of various reasons such as the terrain and access to properties

Did you know?

We are giving the Tarawera transfer station a makeover to improve access.
