Disclaimer

Care has been taken in the production of this publication to ensure that its contents are accurate. However where data has been sourced from external providers, the authors take no responsibility for any incorrect information that has been supplied or any actions that may result from the use of the information in this publication. The maps included in this report are used to convey information about the state of the environment. The maps are indicative only and are not intended for any use beyond state of environment reporting. For detailed mapping requirements or reproductions of maps included in this report, please contact the Rotorua District Council.
