

Parks where you CAN exercise your dog

You are allowed to exercise your dog in certain council reserve areas. However dogs are NOT allowed onto any children's playgrounds in those reserves.

The person exercising the dog must be able to control it as if it were on a lead. If you cannot stop or retrieve your dog with a call or a whistle, then you cannot exercise it off a lead.

The parks and reserves where you can exercise your dog off a lead are listed below. Also shown are the parks and reserves where no dogs are allowed at any time. (See maps inside).
